council restore the derelict house at the entrance to micklefield park on the a65 for use as apartments

ut I would be against the loss of allotments, nurseries etc. Area 9 could be sympathetically developed to

extra housing and business premises erected in the past. With all other building work to be yet carried out

on A 65 - I am sure that no one looks at this from a local or council level - what will happen to Rawdon

3 starting to have to look at green belt then we are FULL and cannot possibly accomodate more housin

ple. Self contained, not impacting on existing dwellings and with good road links.

can't parish council do more to point out large areas in south leeds available for meeting govt housing

available space. Even when complete they seem to struggle to sell, and there are always many for sa

appeal will be lost as it becomes engulfed in the never ending sprawl of Leeds. Trying to cram more f

: in Guiseley and Menston especially enough is enough. The A 65 is already bottlenecked and needs
