A Little Gift From Santa

Father Christmas will be at the Rawdon at Christmas event to switch on the lights and give out a few sweet treats.

We know the older children won't mind waiting, but ***if there are children in your home that are primary school age or younger, Father Christmas wants them to have an early treat.*** It won't be too much,

he doesn't want to spoil Christmas, but

he wants to get the grownups to tell us who he should get a little present for in time for the 2nd December.

Go to: www.rawdonparishcouncil.gov.uk and fill in a few details on our little form.

We will drop the gifts off in the days before Santa's sleigh ride.

(Please remember, we can only deliver to Rawdon addresses)

Carols Round The Christmas Tree Christmas Eve at 6pm

Opposite the Emmott Arms - Snacks provided.

Where and When to see Father Christmas

Father Christmas will do his best to stick to his timetable.

Because the reindeer are resting ready for Christmas Eve, Santa's sleigh will be pulled behind a truck instead. That means he can't get up every street because some of them are too narrow or are cul-de-sacs that he can't turn round in. So, you might have to pop out to wave to him. He will go down most streets and Rawdon Parish Councillors will be in touch with "Santa's Secret Service" who will be able to let them know his progress.

You can follow him on our "**Santa Tracker**" too by following the link we will put on our website at www.rawdonparishcouncil.gov.uk. There will also be a live-stream so you can see Father Christmas as he rides around Rawdon

Listen out for his sleigh so you know when he is nearby!

Rawdon Matters News in brief

Rawdon celebrated the Coronation in Style

Rawdon village came together in huge numbers to celebrate the Coronation of King Charles III. Estimates put attendance figures at the event on Littlemoor at around 3000 people, almost half of everyone in Rawdon.

Sky News joined us throughout the day with frequent live links and interviews broadcast to the nation. Rawdon's celebrations also featured heavily, on Sky's rolling news item on the Coronation, throughout the evening.

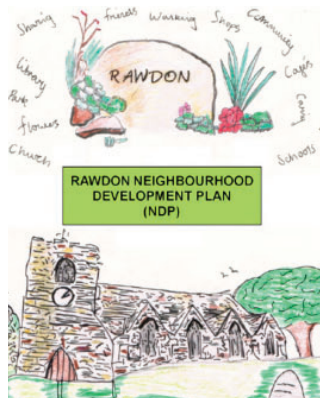

Residents watched the Coronation Live on a giant screen and enjoyed musical live entertainment and a free funfair.

Colonel Stephen Boardman, MBE DL delivered a personal message to the people of Rawdon on behalf of King Charles III.

Neighbourhood Plan Update

Rawdon's Neighbourhood Plan has now completed the final statutory stage of public consultation. It has been passed, with all comments received, for final examination. Once that is complete and any modifications that may be required by the examiner are made, there will be a referendum on whether to accept it when it will need your support to be adopted. We will let everyone know as soon as we have a date for the referendum.

Projects in the pipeline

We are always looking for ways to make Rawdon an even better place to live. Here are a few of the projects we are working on.

Paved access to the Memorial Stone and renewed steps to Littlemoor

A Bob Barber Memorial bench soon to be installed

A regular summer event for the village starting in 2024 to combine a community event with D Day 80th anniversary commemorations

A Nativity Mural to be created and installed at the bus shelter at the Harrogate Road / A 65 junction in time for Christmas this year.

A Halloween Pumpkin Trail for 2024
